And don't forget about **Right Clicking**, which displays many of these shortcuts (online cheat sheet) and requires less hand movement. You can either click on the options displayed after right clicking or use the keyboard shortcut. For example, can right click when in Incoming Payments to be offered Payment Means, also on the Tool bar, but further away with the mouse.

Examples after entering an Item in a Marketing Document... if you **right click**, the following are available (as a "cheat") or to select with less hand movement:

CTRL + X	Cut
CTRL + C	Copy
CTRL + V	Paste
DEL	Delete
CTRL + I	Add Row
CTRL + K	Delete Row
CTRL + M	Duplicate Row
CTRL + L	Row Details
CTRL + Y	Payments Means
CTRL + G	Gross Profit
CTRL + TAB	Batch/Serial Numbers
CTRL + W	Volume and Weight Calculation
CTRL + J	Transaction Journal
